## **About the Book**

Arlo and Oliver are two best friends who love to have fun. One day, they accidentally find themselves in a goat yoga class. At first, they're not sure what to think. But as they try to keep their balance on the goats, they start to have a lot of fun.

Goat yoga is a new and popular trend that combines the benefits of yoga with the cuteness of goats. It's a great way to get exercise, relieve stress, and make some new friends. Arlo and Oliver quickly learn that goat yoga is the perfect activity for them.

As they practice their yoga poses, Arlo and Oliver learn the importance of friendship, laughter, and maybe even a little bit of yoga. They also learn that it's okay to make mistakes, and that even the most challenging things can be fun when you have a friend by your side.
