An Inspiring Memoir of Hope and Healing

In *Breathless: My Nsip Story*, Krishna Mercy shares her harrowing journey through poverty, abuse, and addiction to finding hope and healing. Born into a life of poverty in rural India, Krishna faced unimaginable hardships from a young age. She was sexually abused by her stepfather, forced into child labor, and married off at the age of 15 to a man who beat her and kept her captive.

After years of abuse, Krishna finally managed to escape her husband and make her way to the United States. But her struggles were far from over. She became addicted to drugs and alcohol, and ended up living on the streets of San Francisco. It was there that she met Nsip, a homeless outreach worker who changed her life forever.

Nsip helped Krishna get into treatment, and for the first time in her life, she began to heal from the trauma she had endured. She learned to forgive herself and others, and she found the strength to rebuild her life.

Today, Krishna is a successful author, speaker, and advocate for survivors of abuse and addiction. She shares her story to inspire others to never give up on hope, no matter how difficult their circumstances may seem.
