### Early Life and Influences

Malcolm Little was born in Omaha, Nebraska, in 1925. His early life was marred by poverty, racism, and tragedy. At the age of six, his father, a Baptist minister, was brutally murdered by white supremacists. His mother, unable to cope with the loss and the constant racial discrimination, was institutionalized. Little and his siblings were placed in foster care.

As a young man, Little moved to Harlem, New York City, where he became involved in petty crime and substance abuse. However, a chance encounter with Elijah Muhammad, the leader of the Nation of Islam (NOI), changed his life trajectory.

### The Nation of Islam

Muhammad's message of black empowerment and separatism appealed to Little, who adopted the name Malcolm X. He quickly rose through the ranks

of the NOI, becoming a prominent spokesperson for the organization and its teachings.

Under Muhammad's influence, Malcolm X became an outspoken critic of white society, advocating for self-defense and the creation of a separate black nation. His fiery speeches and charismatic presence gained him a large following, both within and outside the NOI.

### **The Pilgrimage and the Transformation**

In 1964, Malcolm X made a pilgrimage to Mecca, the birthplace of Islam. The experience had a profound impact on him. He witnessed Muslims from diverse backgrounds worshiping together in unity and brotherhood.

Upon his return to the United States, Malcolm X broke away from the NOI and founded the Muslim Mosque, Inc. He expanded his worldview, embracing a broader philosophy of Pan-Africanism and nonviolence. He became a global advocate for human rights and social justice.

### **The Assassination and Legacy**

On February 21, 1965, Malcolm X was assassinated by members of the NOI while delivering a speech in Harlem, New York City. He was only 39 years old.

Despite his untimely death, Malcolm X's legacy has continued to grow. His message of liberation, self-respect, and the importance of education have become a source of inspiration for generations of activists and leaders.
