Based on the true story of Olympic runner Mary Lou Williams, The Shoshoni Girl Who Ran follows the journey of a young Shoshoni girl named Pi-ute. Pi-ute is a gifted runner, but she faces many challenges in her life. Her family is poor, and she often has to go hungry. She is also discriminated against because she is a Native American.

Despite all of these challenges, Pi-ute never gives up on her dream of becoming a runner. She trains hard, and she eventually earns a scholarship to run for the University of California, Berkeley. Pi-ute goes on to become a champion runner, and she represents the United States in the 1928 Olympics.

The Shoshoni Girl Who Ran is a powerful story of courage, resilience, and determination. It is a story that will inspire children of all ages to never give up on their dreams, no matter how difficult they may seem.
